The 'Porsche Sprint Challenge Benelux - PART3 - Sticker Regulations - 2020' is part of the Porsche Sprint Challenge Benelux regulations 2020. The advertising decals, logos, driver name and starting numbers as specified by the Series Organiser, must be affixed to all competing vehicles during the FP, Q & R of the Series. The size, type, quantity and positioning are determined further in this document. The sticker regulations are agreed on with the KNAF. Any breach of these Regulations may result in the participant concerned being disqualified from classification. All advertising surfaces that are not occupied as specified in the Sticker Regulations are available for the entrants' own advertising labels. The clearance between such advertising and the mandatory stickers shall be a min. 30 mm. Retained for the entire season. The registered entrants will be informed about their starting numbers before the first race. The team (entrant) is responsible for ensuring that the stickers on the entered vehicles comply with the applicable legal regulations. All mandatory stickers are provided by the PSCB, except driver names. Only this version of the mandatory stickers are allowed, copies of the mandatory stickers will be refused. It is forbidden to cut or to modify the dimensions. It's allowed to modify the dimensions of the window banner to avoid an overlay of the A-pillar and roof. All cars must be equipped with the mandatory license plate. The sticker positions 1 - 27 are strictly reserved for Porsche AG and its series- and cooperation partners. Advertising of team partners that compete to partners of Porsche AG, Porsche Sprint Challenge and/or cooperation partners shall be prohibited. In regards to the exclusivity of the partners of Porsche AG following rules apply. The exclusivity rule refers to the industry sector or to the product range of a manufacturer. For the area of fuels, teams are allowed to communicate or advertise for other companies under the following conditions and on request of Porsche AG The product brand "fuel" has to be clearly distinguishable from the company brand, e.g. "V-Power" or "Ultimate". A maximum of one team with 3 race cars may communicate or advertise for one fuel brand. The date of the contract signing is pivotal. Michelin, Hugo Boss, are the exclusive partners. of the Porsche Sprint Challenge worldwide, thus prohibiting teams to communicate or advertise for companies or products that are competitors of Michelin, Hugo Boss. There is no exception for partners of exclusivity.
